

Mission to Nairobi

A group of 11 local residents departed for Nairobi Kenya on October 30 to visit the Life4Kids home. The group included Terri Brophy, Cathy Tait, Jason Wilson, Sydney Wilson, Kyle Wilson, Ron Crane, Hank deJong, Nancy Hargrave, Randy Hargrave, Gord Sedgwick and Fred Hacker. Here is the story of that visit in words and pictures. Normally, our Journal is only one page. But this special edition has three pages.

We undertook two projects while in Kenya. The first was the construction of a library/computer lab.

The second project was the construction of a vegetable and fruit garden. Leading that project were Terri Brophy and Cathy Tait seen here with Pastor Benard Kinaro, the Chair of Life4Kids in Kenya.

The boys loved to dance, perform, and entertain us.

When it came time to leave, we were sad to part. We took photos of one another.
